### **Main Street Business Assistance Program**

To support Pagosa Springs downtown businesses impacted by the CDOT US Highway 160 Reconstruction Project, the **Main Street Business Assistance Program** offers low-cost loans ranging from \$1,000 to \$10,000 to help cover operating expenses, retain employees, and manage financial disruptions.

This collaborative effort between the Pagosa Springs Community Development Corporation (PSCDC), Region 9 Economic Development District, First Southwest Community Fund, and the Pagosa Springs Main Street Program provides flexible, reimbursement-based financial support during construction. Applications are reviewed on a first-come, first-served basis until funds are exhausted

#### LOAN DETAILS

Region 9 Economic Development District, Inc. (Region 9 EDD), through its revolving loan fund, has opened an application window for small, low interest loans to businesses located in the construction zone in downtown Pagosa Springs. The loans will range from \$1,000 to \$10,000 and can be used for payroll, rent, and other working capital needs to help the sustainability of the business. Due to limited funding, the decision to provide a loan will be at the sole discretion of the Region 9 EDD Loan Committee and will be based on the number of jobs in the business, ability to obtain funding from other sources, and the likelihood of success during and following the construction project. It is anticipated that there will be a second round of funding available in 2026.

Applications and all required documents can be emailed to <u>brian@region9edd.org</u> or <u>jenny@region9edd.org</u> until June 15.

Items needed to apply:

- 1. Region 9 Business loan fund application (<u>https://www.region9edd.org/business-loan-fund</u>
- 2. Job Development statement
- 3. Personal financial statement
- 4. 2024 Profit/Loss statement for the business
- 5. A one-page narrative to explain the history of the business, the impacts being felt by the construction, and the likelihood of staying in business through the construction period.

If approved, loans will have a 0% interest rate for the first six months after funding.

The interest will be increased to 1% for months 6-12, with interest only payments due monthly.

After 1 year, the interest rate will adjust to the Wall Street Journal Prime Rate and principal and interest payments will begin.

For loans \$5,000 and less, the repayment term will be 2 years. For loans \$5,001 - \$10,000 the term will be 4 years. All loans will be required to be on an automatic ACH payment.

There is a \$100 fee for loans \$5,000 and less and \$150 fee for loans \$5,001 - \$10,000.

All loans will require a personal guaranty of the business owner and a lien against the business assets (even if previously pledged to other lenders).

#### There is no prepayment penalty.

Businesses must be a Colorado based entity and in good standing with Colorado Secretary of State.
